

List of SOLAR Projects Completed Successfully:

Sr No	Project Name	Location	Type of Installation / capacity (In Kwp)		
1	Roof top power plant installation & commissioning work for solar PV project 693 Kwp project with supply of civil material on various 15 nos building at MIT Collage, Kothrud, Pune.	MIT Collage, Kothrud, Pune.	75 Kwp on Tin Shed (One nos Shed)	618.5 Kwp on concrete slab (15 nos building)	693.5
2	Roof top power plant installation & commissioning work for solar PV project 30 Kwp project with supply of civil material at Woodland Society, Kothrud, Pune.	Woodland Society, Kothrud, Pune.		Concrete Slab (1 nos building)	30
3	Roof top power plant installation & commissioning work for solar PV project 150 Kwp project on tin sheet & concrete slab with supply of civil material at Jyoti Ceramic, Satpur, Nashik.	Jyoti Ceramic, Satpur, Nashik.	140 Kwp on Tin Shed (1 nos Shed Shed)	10 Kwp on concrete slab (1 nos building)	150
4	Roof top power plant installation & commissioning work for solar PV project 10 Kwp project on tin sheet at Rathi Farm house, Satpur MIDC, Nashik.	Rathi Farm house, Satpur MIDC, Nashik.	10 Kwp on Tin Shed (1nos Shed)		10
5	Roof top power plant installation & commissioning work for solar PV project 50 Kwp project with supply of civil material at Shann Car, Satpur MIDC, Nashik.	Shann Car, Satpur MIDC, Nashik.		50 Kwp on concrete slab (1 nos building)	50
6	Roof top power plant installation & commissioning work for solar PV project 100 Kwp project with supply of civil material at NEC (Nashik Engineering Cluster), Ambad MIDC , Nashik.	NEC (Nashik Engineering Cluster), Ambad MIDC , Nashik.		100 Kwp on concrete slab (1 nos building)	100
7	Roof top power plant installation & commissioning work for solar PV project 5 Kwp project with supply of civil material at Blue Bell Apartment, Nashik	Blue Bell Apartment, Nashik		5 Kwp on concrete slab	5
8	Roof top power plant installation & commissioning work for solar PV project 21 Kwp project with supply of civil material at Central Railway Bhusawal.	Central Railway Bhusawal.		21 Kwp on concrete slab (1 nos building)	21
9	Roof top power plant installation & commissioning work for solar PV project 420 Kwp project on tin & concrete roof with supply of civil material on three nos shed/building at Pernod Ricard, Dindori, Nashik.	Pernod Ricard, Dindori, Nashik.	10 Kwp on Tin Shed (3nos Shed)	33 Kwp on concrete slab (1 nos building)	420
10	1)Earthing work of 10 Mw ground mounted plant 2) AC Cabling of 10 Mw, 2Mw Switchyards-5 Nos, 3) DC & Communication cabling of 6 Mw 4) 300 sqmm AC Cable UG cable - Km 5) Yard lighting pole- 79 Nos 6) LA Mounting work-9 Nos	Gevrai, Beed		Ground Mounted solar project	10000
11	Roof top power plant installation & commissioning work for solar PV project 150 Kwp project with supply of civil material at Sakal Paper, Nashik.	Sakal Paper, Satpur, Nashik		150 Kwp on concrete slab (1 nos building)	150
12	Roof top power plant installation & commissioning work for solar PV project 25 Kwp project with supply of civil material at Lorelle Society.	Lorelle Society, Near Bhumkar Chouk, Pune		25 Kwp on concrete slab (1 nos building)	25
13	Roof top power plant installation & commissioning work for solar PV project 300 Kwp project on tin roof on One nos shed/building at Tenneco Automotive Pune	Tenneco Automotive Pune, Chakan.	300 Kwp on Tin Shed (1 nos Shed)		300
14	Installation of Roof Top PV solar System complete with unloading, shifting & installation of solar modules, mounting structures, walkways, earthing, electrical works & associated accessories including required material handling equipment & scaffolding & in compliance with EHS requisites as per TML standards at TML Lucknow	TML Lucknow	1000 Kwp on Tin Shed (BIW & TCF)		1000
15	Installation of Roof top PV Solar system complete with unloading shifting & installation of solar Modules, mounting structure, walkway, earthings, electrical work, cleaning system & associated civil works including required material handling equipment & scaffolding & in compliance with EHS requisites as per TML standards on Water tank at TML Pimpri Pune.	TATA Motors Ltd, Pimpri, Pune.		310 Kwp on concrete slab (1 nos building)	310
16	Removal & Relocation of 20 Kwp solar plant system complete with existing modules, inverter & new structures on the roof with associated AC, DC Cabling, Installation of solar modules, mounting structures, walkways, earthings, electrical work, cleaning system & associated civil work at Pernod Ricard, Nashik.	Pernod Ricard, Dindori, Nashik.	20 Kwp on Tin Shed (1 nos shed)		20
17	Roof Top Solar power plant Installation commissioning work for solar PV Project 20.5 Kwp project including installation of MMS, Module, MJB Panel, Inverter, AC DC cabling, earthing LA installation with civil Material at Jyoti Ceramic, Nashik.	Jyoti Ceramic, Satpur, Nashik.		20.5 Kwp on concrete slab (1 nos building)	20.5
18	Installation of Roof top PV Solar system complete with unloading shifting & installation of solar Modules, mounting structure, walkway, earthings, electrical work, cleaning system & associated civil works including required material handling equipment & scaffolding & in compliance with EHS requisites as per TML standarder at TML Pimpri, Pune. 1) C Block-46 Kwp, 2) D Block-104 Kwp, MRS Building 33 Kwp	TATA Motors Ltd, Pimpri, Pune.		183 Kwp on concrete slab (4 nos building)	183
19	Installation of Roof Top PV solar System complete with unloading, shifting & installation of solar modules, mounting structures, walkways, earthing, electrical work, cleaning syssem at Ashoka School Nashik.	Ashoka School, Nashik.		140 Kwp on concrete slab (1 nos building)	140
20	Erection, Testing & Commissioning of 75 Kwp Solar Pv power roof top project on slab of Hotel Express Inn	Hotel Express Inn			75
21	Erection, Testing & Commissioning of 345 Kwp Solar Pv power roof top project on Industrial sheet of Pernod.	Pernod Richard			345
22	Erection, Testing & Commissioning of 350 Kwp Solar Pv power ground project of Kokan Railway	Kokan Railway			350
23	Erection, Testing & Commissioning of 1150 Kwp Solar Pv power roof top project on Industrial sheet of Siddhivinayak.	Siddhivinayak cotspinn Pvt Ltd.			1150
24	Erection, Testing & Commissioning of 72 Kwp Solar Pv power roof top project on slab of Jyoti Ceramic	Jyoti Ceramic			72
25	Erection, Testing & Commissioning of 100 Kwp Solar Pv power roof top project on Industrial sheet of S.N. Metal Aurangabad	S.N Metal			100
26	Erection, Testing & Commissioning of 565 Kwp Solar Pv power roof top project on slab of Seasons Mall.	Seasons Mall			565
27	Structur Design, BOS Supply, Installation & Commissioning of Roof top 100 Kwp Solar power plant.	Delhi Public School, Banglore, Karanataka			100
28	BOS Supply, Installation & Commissioning of Roof top 100 Kwp Solar power plant.	Mutha Engineering, MIDC SATARA			280
29	Installation and commissioning of 725 Kwp Roof Top Solar Project on Industrial Shed.	TATA Motors Ltd, Pimpri, Pune.			748
30	Installation and commissioning of 782.7 Kwp Roof Top Solar Project on Industrial Shed.	TATA Motors Ltd., Lucknow			782.7
31	Installation and commissioning of 40Kwp RCC roof top Solar Project.	ChaitnyaVihar Society, Pune			40
32	Installation and commissioning of 7 Kwp RCC roof top solar project	Thakur Shroff Electrical Shop, Pune			7
33	Installation and commissioning of 140 Kwp RCC roof top solar project	Ansys Software Pvt Ltd., Hinjewadi, Pune			140
34	Installation and commissioning of 169 Kwp RCC roof top solar project	Amity University, Mumbai			169
35	Installation and commissioning of 66 Kwp Tin & RCC roof top solar project	Ashoka Education Foundation, Nashik			66
36	Installation and commissioning of 30 Kwp Tin & RCC roof top solar project	Ashoka Business School, Nashik			30
37	Installation and commissioning of 103.2 Kwp Tin & RCC roof top solar project	CTR, Nashik			130.2
38	Design of structure, BOS supply, Installation and commissioning of 325 Kwp Ground Mounted solar project	Sakas Milk & Milk Products, Patan, Dist. Satara (MH)			325
39	Installation and commissioning of 60 Kwp RCC roof top project	MSCCIA, SB Road, Pune			60
40	33kV Bay, Switchyard, 33kV UG Cables, Retrofitting at 2MW ground mounted project Muradnagar Ordnance Factory	Muradnagar, UP			0
41	Design of structure, BOS supply, Installation and commissioning of roof top solar project at NTT Symbiosis	Hinjewadi, Pune			250
42	Installation and commissioning of 170 Kwp RCC roof top project. On 15mtr elevated structure.	Calsoft Software, Bawdhan, Pune			170
43	Design, Engineering, Supply, Installation and Commissioning of 28 Kwp Roof top solar project at Premvati Charitable Trust	Swami Narayan Mandir			28
44	Design of structure, supply, Installation and commissioning of 30 Kwp Roof top solar project at Sonal wine(corona period)	Khed shivapur, Pune	30 Kwp on Tin Shed (One nos Shed)		30
45	Design of structure, supply, Installation and commissioning of 20.5 Kwp Roof top solar project at Premvila Bunglow(corona period)	Khadki, Pune	20.5 Kwp on Tin Shed (One nos Shed)		20.5
46	Design of structure, BOS supply, Installation and commissioning of 340 Kwp Roof top solar project at Tulsi Rubber products (corona period)	Talwade, Pune	340 Kwp on Tin Shed (two nos Shed)		340
47	BOS supply Installation and commissioning of 4.1 MW Aditya Birla Ground Mounted project	Pan mangrol, Solapur		Ground Mounted solar project	4000.1
48	BOS supply, Installation and commissioning of 990 Kwp Roof top solar project at Dharwal IndustriesPvt. Ltd. (Division Manikchand Packaging),	Sardwadi, Shirur	990 Kwp on Rcc Roof(five nos roof)		990
